

The Draft Bylaws have now been posted on the NSBEP website to invite feedback during a 30-day consultation period. These Bylaws will come into effect when the profession transitions from the Psychologists Act to the Regulated Health Professions Act (RHPA). The transition is scheduled for November 24, 2025.

The posting date is Friday, October 24, 2025, and the deadline to provide feedback is Sunday, November 23, 2025.

How to participate:

1. Review the Draft Bylaws [HERE](#).
Note: Revisions based on Department of Health and Wellness (DHW) feedback may be incorporated and shared during this period for additional input.
2. Submit your feedback via email to nsbep@nsbep.org with subject line: Draft Bylaws Feedback.

The bylaws will be updated throughout the public notice period in response to feedback received (from registrants, stakeholders, and DHW). A final version will be approved by the NSRP Board prior to the November 24 effective date. Once the transition to the RHPA occurs, the revised bylaws will be posted on the regulator's website.

Thank you for taking the time to review the document and contribute to this process. Your input will help ensure a smooth migration and continued protection of the public.

Best regards,

Nova Scotia Board of Examiners in Psychology
